Helping Your Library Do More

Dear Friend,

We hope you are just as excited as we are about the expansion and renovation of the J. V. Fletcher Library! Over the next few years, the library will be rebuilt into the 21st century facility Westford needs and deserves.

During the project, the library will be moving offsite. While funding for the new building and its furnishings is critical to the project's success, expanding and upgrading the library's print and digital collections continue to be crucial needs. That's where your donation comes in.

For more than 50 years, amazing community support has allowed the Friends of the Library to extensively enhance the library's resources and fund popular and flourishing initiatives like the Mother Goose story times, almost 30 museum passes, and the Summer Reading Programs for children through adults. Together, we fulfill our mission of **helping your library do more!**

Our goal this year is to raise \$20,000 to continue to fund the library's classic book collections. We will also continue to expand free access to the increasingly essential downloadable and streaming resources like Hoopla, Kanopy, Freegal, Libby, TumbleBooks, and our extensive list of research databases.

With your contribution, we'll continue building our collections and providing access to resources and technologies that all of Westford will use today and for many years to come.
